

*Register your passion.
Register your commitment.
Register . . . Green!*

When Green registration increases, everyone benefits!

The registration numbers say:

it's time for REAL change - e.g., a Living Wage.

we demand TRUTH in politics.

it's time for social justice.

let's defend and protect the environment.

get big \$\$ out of politics and government.

put people over profits.

just say "No" to corporate globalization.

end discrimination; respect diversity.

all this and more . . .

It's good for the Green Party.

It's good for all progressives.

It shows clearly that progressive votes count!

It empowers progressive candidates and agendas.
